What are Japanese noren curtains?

Being made of fabrics, which sometimes have the subtle sheen of silk, Japanese noren curtains are usually soft to touch and will delight you for their beautiful texture. Depending upon their fabric thickness, some Japanese noren can filter the flow of light without completely blocking your view of the outdoors.

Are Japanese door curtains practical?

Not only are Japanese door curtains practical, but they also serve as beautiful decor items too. Handmade in the USA of fine imported Japanese fabrics, the J-Life noren can be hung anywhere in the home, such as in any doorways, over windows, as wall decor, or in outdoor spaces. Read our blog to learn more about noren curtains.

What are noren curtains?

Read our blog to learn more about noren curtains. For centuries, Japanese shopkeepers and homeowners have used norens as a way to divide rooms, advertise their shops, and to keep dirt and debris out while letting fresh air in.

How are Japanese noren curtains hung?

Japanese noren curtains are easily hung by feeding a curtain rod, like a curtain rod, thin bamboo pole, or a long wooden dowel, through the loops or pockets, which are sewn on their top. They also feature one or more slits for easy viewing and passage.
