

12 hours ago; Return was an early mover in the Dutch energy storage market with its platform SemperPower, now rebranded under its own name, which it is using going forward. Via ...

Italy's Ministry of the Environment and Energy Security (Mase) has issued final approvals for five new battery energy storage system (BESS) projects, paving the way for 361 ...

Following similar pieces in 2022/23, we look at the biggest energy storage projects, lithium and non-lithium, that we've reported on in 2024.

Amazing right?!? The largest solar park in Italy is now under construction. Iberdrola's Fenix project in Sicily will add 245 MW of capacity, enough to power 140,000 homes and cut 119,000 ...

The following page lists all pumped-storage hydroelectric power stations that are larger than 1,000 MW in installed generating capacity, which are currently ...

Italy's environment and energy ministry has approved six utility-scale battery storage projects in Lazio, Campania, Basilicata and Puglia.

2 days ago; Zelestra and BKW have signed an innovative long-term tolling agreement that enables the delivery of one of Europe's largest battery energy storage systems (BESS), of up ...

Terna, the Italian grid operator, says that it has received grid-connection requests for 144.48 GW of solar projects to date.

Joint venture launched with Nexta Capital to develop up to 1.5 GW of battery storage in Italy, making the most of when it's sunny and windy Marks second deal in Italy by ...

1 day ago; It introduces a new financial model for large battery storage in Italy. Furthermore, it addresses rising power demand, renewables growth, and the decline of thermal plants. Also, ...

1 day ago; Zelestra, a global, multi-technology, customer-focused renewable energy company, has signed a long-term tolling agreement with BKW, a leading energy and infrastructure ...

Italy has taken a major step forward in its energy transition efforts, giving the green light to 361 MW of new battery energy storage systems (BESS) spread across three ...

# New energy storage projects under construction in Italy

The Italian energy market is marking another milestone with the addition of two battery energy storage system (BESS) projects in Sicily. With a combined capacity of 162 MW, ...

Terna estimates Italy will need 71GWh of new grid-scale energy storage by 2030. While the opportunities there mean a lot of interest and project development activity--with ...

Top 10 Energy Storage Developers in Italy: discover market leaders, buying and selling opportunities, and financing options on PF Nexus.

In response, Italy is prioritizing the development of grid-scale battery energy storage systems (BESS Italy) alongside new industrial and commercial energy storage projects.

Utility Enel is the only company actively in construction on a substantial BESS portfolio in Italy. In 2023, it started building 1.6GW of projects, mainly in Sardinia, after big ...

GreenGo has received authorization from the Italian Ministry of Environment and Energy Security for two new standalone battery energy storage facilities. The company's ...

Our solar projects & energy partners The projects below represent a portion of our portfolio. Learn more about our utility-scale solar projects, our partners ...

2 days ago; The innovative tolling agreement signed between Zelestra and BKW enables the delivery of one of Europe's largest battery energy storage systems (BESS), of up to 2 GWh, in ...

Italy's TSO Terna is in the midst of reforming the electricity market to incorporate new energy storage resources onto the grid. Image: Terna. In a big week for the grid-scale ...

Enfinity Global secured a EUR100mn (\$108.4mn) bond facility from Eiffel Investment Group to accelerate its energy storage and solar projects across Europe, mainly in Italy and the United ...

CIP and GC Storage Services to develop 2.3GW BESS pipeline in Italy The development of large-scale battery projects aligns with CIP's growing ...

Search all the announced and upcoming battery energy storage system (BESS) projects, bids, RFPs, ICBs, tenders, government contracts, and awards in Italy with our comprehensive ...
