Where can I buy a solar panel?

Panels like the Canadian Solar 395W and Phono 400W are engineered for durability, ensuring performance in extreme conditions. Solar panels by pallet are available through trusted distributors like Direct Solar Power. Ensure authenticity and warranty coverage by purchasing from authorized sellers.

What is a wholesale solar panel kit?

Maxbo's wholesale solar panel kits are built with high-efficiency photovoltaic cells that capture more sunlight and convert it into electricity, even in less-than-ideal conditions. Our panels are constructed using robust materials that are designed to withstand harsh weather conditions, such as heavy snow, wind, and extreme temperatures.

Why should you choose a factory-direct solar panel manufacturer?

As a factory-direct manufacturer, we control every aspect of the production process, from the sourcing of materials to the assembly of the final product. This allows us to maintain strict quality control and ensure that every wholesale solar panel kit we produce meets the highest industry standards.
