Do you need a portable power bank in Seychelles?

Portable power banks are ideal for anyone travelling and visiting Seychelles as they can be used to charge electronic devices such as smartphones, tablets and cameras when there is no accessible power outlet. When planning a trip to Seychelles, it's important to consider what electronics you will need during your travels.

Which power bank should I buy?

The Nimble Champ is our top recommendation for most folks, but we have all sorts of alternatives here. Read our Best MagSafe Power Banks guide for Apple-specific portable chargers, and our Best Portable Power Stations guide if you need more power. Updated June 2025: We've added power banks from Redmagic and Statik, and added a new FAQ.

Does Seychelles have a power outlet?

The island nation uses Type G and Type M plugs in its power outlets, both with a voltage rating of 230 volts (50 cycles). This means that device chargers and other electronics from many countries in Europe, Africa, and Asia will work in Seychelles without any additional adaptors or converters.

How do I choose a portable power bank?

Connection types vary across all portable power banks, cell phones, computers, headphones, tablets, and electronics brands. So, make sure to choose a power bank with ports that are compatible with the devices you need charged most often.
